

# “Finding Your Heart Song”

with Steven “Fire Heart” Meagher of *Fire Heart Flutes*

*Fire Heart Flutes* is offering a beginner/intermediate class where you will learn to find your own “heart song” as you learn to play a Native American style flute! No experience is required.

In this class Steven will teach proper finger placement, scales, breath techniques and how to adopt your own style. Steven will discuss the history, construction, care and storage as well as various elements of Native American flutes.

Flutes will be available for use during the class. Participants may purchase a flute at the conclusion of the class. If you bring your own flute Steven will give instructions in playing it at the end of the class.

**Weather permitting the class will be held outside: on the “magic rock”, in the forest or around the fire pit.**
